

Chase Bank & MRC Partnership—At Golden Gate Center-2/15/14

The flyer Chase Bank made to recruit volunteers and the team shirts they wore at the event.

MRC Board Member and Chase employee who coordinated the event—Eric Solomon along with some of the volunteers at the event.

More volunteers painting inside part Golden Gate Community Center so they will be able to open and medical and dental clinic in their center to help serve the community.

Grand Canyon University—MRC Partnership—Monastery-2/15/14

Moving 100 volunteers means transportation! Some worked on general cleanup.

Some worked in the garden harvesting and prepping next crop, others worked around the area on landscaping and more!

Some from the monastery and even a bus driver got involved helping sort some of the harvest. Check out how empty the inside of our trailer was with almost all tools in use!
